SYRUP OF FIGS

FOR CROSS, SICK, FEVERISH CHILD

If Little Stomach Is Sour, Liver Torpid or Bowels Clogged

Mother can rest easy, after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can't cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhea, and stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.—Adv.

TAX LIQUOR AND NOT AUTOMOBILES

This the Place to Put the Additional Burden, According to House Committee Strategy.

Washington, Dec. 11.—Tax whiskey and beer more, gasoline and automobiles no more; this is the strategy of the House

committee on ways and means as opposed to President Wilson's uncomfortable recommendations. Representative Rainey of Illinois, ranking member, is understood to have charge of the details of the plan. The political danger of alienating the automobile and progressive farmer vote has not frightened Secretary McAdoo and the president, but Congressmen being also practical politicians hope to offer the White House graceful opportunity to get from under.

Changes Proposed in Mail Service Between Bethel and Rochester.

The postoffice department is about to inaugurate a new policy in its provision for transporting the mails between this place and Rochester. The postmaster general at the present time is advertising for bids for carrying the mails between those points 13 times a week, namely, twice a day on week days and once on Sundays. Under the terms of the advertisement the mails would leave Bethel every week day at 8 a. m. and 3 p. m. and would leave Rochester at 7 a. m. and 1 p. m. Every Sunday the mail would leave Bethel at 8 a. m. and Rochester at 1 p. m. Bids must be in not later than Dec. 21 and the contract would date from Jan. 1, 1916. Such a contract will do away with the present twice-a-day service each way of the White River railroad, the daily stage, except Sundays, to and from Gayville run by Arthur V. Leavitt and the Sunday stage to and from Rochester run by C. E. Claffin. Mail would be delivered on each trip at the Gayville, Stockbridge and Toleville postoffices and in boxes erected by parties along the route.

Roscoe W. Morse has sold his trucking outfit and goodwill to Roy A. Abbott, who will take possession at once. Mr. Morse has had the business 21 years and is one of the most widely known men in Bethel, having done business for traveling men so long.

Successful local deer hunters not previously named in this paper were Loren H. Washburn and his guest, Vane Wardner of Brookfield, Fred Clodge, William H. Allen, Raymond Paine and George A. Rogers.
